

RENEWABLE ENERGY AND SUSTAINABLE LIVING FAIR

Program Book Rates:

Stop NY Fracked Gas Pipeline is hosting a Renewable Energy and Sustainable Living Fair on October 28th, 10 to 4, at the Doane Stuart School in Rensselaer, NY. The program book will be shared with all attendees and be available after the fair in Rensselaer, Columbia, Albany and surrounding counties. We are providing this booklet to help local residents find the resources they need to transition to sustainable energy and away from fossil fuel use which is dangerous to our health, our environment and our climate.

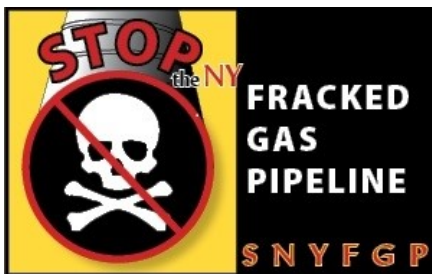

Rates:

Business Card—\$25 (2" tall x 3 1/2" wide)
Half Page — \$50 (4" tall x 5" wide)
Full Page — \$100 (8" tall x 5" wide)
Centerfold or back page — call for rates.
